## MEET CASSY

Hello! I'm Cassy, a freelance hair and makeup artist with 10 years of experience specializing in weddings, film, photography, and live events. My career has taken me from the beaches of Southern California to the heart of Nashville, and all the way up to the peaceful Northwoods (where I grew up).

No matter where I am, my favorite part of the job is helping people look and feel like the most confident, beautiful, and authentic version of themselves, especially on their wedding day.

With over 200 brides (and counting), my goal is always the same, to create a calm, professional experience, and a look that feels like you.

## BOOKINGS

To secure your date for hair and makeup services, a signed contract and 30% non-refundable retainer are required at the time of booking.

To assist with scheduling, I recommend confirming the total number of hair and makeup services when booking. Based on availability, I may bring on additional artists to ensure all services are completed smoothly and on time.

Please note that reductions cannot be made once booked. Communicating your needs early helps me secure the right team for your day.

Pricing includes on-location services, professional products, and full scheduling coordination to help keep your day running seamlessly.

Additional fees may apply.
